Dear Sir:

We recently had occasion to call upon you for assistance in the completion of a Joint Army, Navy, CIA project which involved the construction of three terrain models. These models, prepared by one of your civilian employees, Mr. Carl Beato, were constructed with such skill and thoroughness that they have made a substantial contribution to the project. We wish to express our appreciation for the fine support and cooperation given us and to Mr. Beato in particular for the outstanding excellence of these models. It is suggested a copy of this letter be placed in Mr. Beato's personnel folder.

Sincerely,
